National Library Lovers Month!

The entire month of February is dedicated to the people who love libraries devoted to the reading, housing, organizing, categorizing, finding, studying and otherwise loving books. Libraries provide so much more than a place for us to enjoy great novels or to discover amazing adventures and untold history. Yes, they help us ace our research

papers and provide a quiet space to study, but they do so much more. ENSATS relies on our library for meeting space for public forums, socials, fundraisers and classes. Our library lends not only books but DVDs and movies. Come see our rotating art displays that give student artists exposure to the ENSATS community. (nationaldaycalendar.com)

“By taking the time to educate ourselves on our history and the people who shaped this nation, we can more fully appreciate the ideals set down by the founders. . . .

It’s a reminder that our work is to sustain freedom and ensure that rights and liberty belong to all our citizens.”
